

**2005 “75” Wine Company
Cabernet Sauvignon
Amber Knolls Vineyard
Tuck Beckstoffer, Founder**

Tasting Notes:

The 2005 vintage of Amber Knolls Vineyard Cabernet Sauvignon has bright aromas of cherries, cranberries, and roses. It leads into a deep layering of earthy spices, vanilla, and cocoa. It finishes with beautiful and youthful tannins, creating a nice balance of dark fruit and spice.

Vineyard Information:

The Amber Knolls Vineyard is located in the Red Hills Appellation of California. The property is showcased by its deep, red hillside soils that are rich in obsidian. This particular type of soil allows good drainage, which is of the utmost importance for growing Cabernet grapes. Founder Tuck Beckstoffer believes that the high elevation and prolonged sun exposure combined with this unique soil produces grapes that are some of the finest grapes grown in the world.
